WORKING FOR SAINT FRANCIS HOSPICE

ABOUT SAINT FRANCIS HOSPICE

Saint Francis Hospice (SFH) is an independent charity and one of the largest adult hospices in the UK.

Our team of specialist consultants, doctors, nurses and a range of other health and social care professionals provide care and support to individuals with palliative care and a life-limiting illness. We also look after carers and family members, and our services reach people in Havering, Brentwood, Barking and Dagenham, Redbridge and West Essex.

As a charity, voluntary income (70% of fundraising costs) for our services and our NHS contracts (30% of fundraising costs) fund the delivery of our services.

OUR 250 STAFF AND 750 VOLUNTEERS HELP US PROVIDE THE FOLLOWING SERVICES
